Employee Information: Fill in employee's full name, address, telephone number and date of injury

Exam Referral Schedule: complete dates that patient called for an appointment, date of initial examination, date referred for consultation(s), if any, and date report served on all parties. Supplying these dates are a legal requirement.

Disputed Medical Issues and Conclusions: Complete this section by checking appropriate box and stating what page(s) or section of the medical legal report contain the narrative for details. If diagnostic or laboratory tests have been ordered and the results or a medical records request is pending, check that box. If you cannot render opinions because of pending information, please complete and serve the report to comply with the 30 day time requirement and state what issues could not be evaluated.
